

How Sweet!

Proverbs 13:19 tells us that a vision fulfilled is sweet to the soul. How gratifying it is to see the completion of the Multi-Purpose Center on 'the Hill' - the land that was purchased by the church in 1986. We are grateful to the Lord for this vital step in the development of His vision for ACC and ACS and we look towards Him with expectation for the next steps in "possessing the land that He has given us". We received a Temporary Certificate of Occupancy from the City of Aledo on November 3, 2007. Since that time Aledo Christian School has been using the new gymnasium for PE, basketball practice, and ACS games. Many of us have seen the girls' and boys' team play (and earn their first victories on their new home court) while enjoying nachos and snacks from the new kitchen. We anticipate receiving the Certificate of Occupancy in December. ACS will occupy the building later this month and begin classes in the new MPC in January.

The plans for 2008 include relocating the six portable buildings from the current campus to the Hill for additional classroom space, adding lockers, trophy cases, etc. in the MPC, completing the asphalt road, etc. Long term plans includes construction of the new church facility and two additional classrooms buildings. Look what the Lord has done!
